Dear Anna,

Attached I am sending a letter and presentation to a Bulgarian company, a manufacturer of a wide range of floorings, finishes and decoration of the home and garden of rock-facing materials from Bulgaria. Please help us find suitable partners for this company in Hungary.

Dear colleagues,

We are a company that extracts and processes rock-facing materials from Bulgaria.

We offer a wide range of products for flooring, finishes and layout home and garden.

Please, for your assistance, contact us with major construction stores, who have DIY (and Do It Yourself) and / or garden departments.

We offer strips of stone for wall cladding 3cm and 5cm wide free length, stacked in boxes of 0,5m2.

We look for the realization of our products and rely on your assistance.

Greetings,

I. Georgieva +359 888 584345
