Protective coverall - type 3/4

DISPOSABLE LAMINATED PROTECTIVE COVERALL "The best protection for health"

TYPE 3-4/B

Protective coverall with one-piece hood

Hooded three-dimensional cut and elastic band around the face opening with one piece. It is more convenient to increase the face shape and protection effect.

Stitched Tape edges

Each seam is sealed with 3M tape. Internal elastic band is applied to the waist. These sewing style applications provide better protection.

Elastic cuff

Elastic cuff application provides a tighter and better protection.

Protective Clothing Category III
