- IT technologies for the agro-industrial complex

The national pavilions of Turkey, Belarus, Ukraine, Russia, Spain, Italy, China, Canada, Germany and other advanced agricultural countries will be presented at the exhibitions **«KazAgro/KazFarm-2021»**

Information about the events **«KazAgro/KazFarm-2021»** will be widely covered on the website *"QazExpoCongress"*, with more than 7,000 visitors daily, including from foreign countries. We also cooperate with local and international media, magazines and large enterprises to promote the event.

In 2019 more than 300 leading companies from 26 countries of the world took part in the exhibitions "KazAgro/KazFarm", in 2020 due to the global coronavirus pandemic, the exhibitions were cancelled.

**This year the events «KazAgro/KazFarm-2021» will be held in the new exposition center «QazExpoCongress».**

For your convenience the pavilion is equipped with modern communication facilities, engineering networks and convenient access roads. Favorable location, spacious parking, walking distance to the largest shopping centers and hotels in the city, close proximity to the airport of Nursultan Nazarbayev and the railway station “Nur-Zholy” and many other advantages make it the most attractive place for the event.

The transformable hall allows to adapt the premises to projects of any format and level of complexity. The show benches will be placed 3 meters apart as recommended by the Ministry of Healthcare of the Republic of Kazakhstan. The exhibition hall is 11 770 square meters, and its uniqueness is that it is built without a single column, which allows to hold events of any complexity at the highest level.

Alongside, the Exclusive Partner holds the anniversary republican congress of the Chamber's members and business partners with farm visits, seminars and master classes of methods in animal husbandry.

**Official support** by the Ministry of Agriculture of the Republic of Kazakhstan, National Agrarian and Educational Center, Akimat (City Council) of the city of Nur-Sultan.

**The general sponsor** is Rostselmash.

**The exclusive partner** is the Republican Chamber of the Kazakh Whiteheaded Breed.

† The organization of exhibitions will meet all the requirements of sanitary and epidemiological standards.

The scale and influence of the exhibitions are improving every year, they have now become the largest and most influential livestock events in Kazakhstan. “KazAgro/AgroFarm-2021” present a unique opportunity for profitable long-term cooperation.
